SUMMARY

Motivated computer science undergraduate with strong foundations in data structures and computer logic. Proficient in programming languages including C++ and Java. Hands-on experience with collaborative coding environments. Demonstrated proficiency through academic projects and internships. Eager to contribute passion and technical skills to a development team.

WORK EXPERIENCE

City Furniture 2025-2026
Corporate Tech Intern

- Collaborated with senior developers to design, develop, and test internal web applications.
- Learned version control (git) and obtained full knowledge of the software development process.
- Contributed to debugging and resolving software issues, increasing system performance, and reliability.

Vans 2024-2025
Retail Associate

- Delivered customer service by assisting shoppers with product selection, sizing, and styling.
- Maintained and organized visually appealing displays to align with brand standards and promotions.
- Achieved weekly sales goals through proactive customer engagement.

Gratefuel Cafe 2023-2024
Cashier/Barista

- Prepared and served a variety of coffee and espresso beverages with consistency and attention to detail.
- Operated point-of-sale(POS) systems efficiently to process customer transactions.
- Managed opening and closing duties, including cash handling and restocking supplies.
